## Sacramento County Retired Employees Association

SCREA has Aflac plans available to Members  
Payment is a deduction as part of your dues payment

**WHY?** — When we are faced with a major illness or injury, our members really appreciate the fact that the Aflac plans pay Benefits to YOU not the doctor or hospital. The benefits help cover co-pays, deductibles and out of pocket expenses – really, wherever YOU need your money to go. This is very helpful financial protection.

*Aflac is different from health insurance; it's insurance for daily living.*

Major medical pays for doctors, hospitals and prescriptions. Aflac pays cash benefits directly to you, to help with daily expenses due to an illness or accident.

*Aflac is an extra measure of financial protection.*

When you're sick or hurt, Aflac pays cash benefits directly to you. The benefits are predetermined and paid regardless of any other insurance you have.

*Aflac benefits help with unexpected expenses.*

Your Aflac benefits check helps you pay for the many out-of-pocket expenses you incur when you are sick or hurt – like the cost of transportation to and from medical facilities, parking and additional childcare expenses.

*Aflac is affordable..*

Our plans fit most budgets. And, Aflac rates don't go up – even when you file a claim.
