Effective February 1, 2023, the Employee Benefits office will be assuming responsibility for the benefit premium deductions from your pension check as well as remitting carrier payments. In the past you may have contacted SCERS regarding benefit payments from your pension check, however, effective February 1, you'll contact the benefits office for any benefit premium deduction questions. Employee benefits can be reached at mainline phone number at 916-874-2020 or email at Myretireebenefits@saccounty.gov. Retirees who self-pay their benefits will receive a separate notification on how and where to remit your checks payment.

MissionSquare has launched a website! Their website address remains the same, they have just implemented a new look to the site: missionsquare.org.

Did you know that you can file your MissionSquare reimbursement claims online? You can also set up recurring payments through Meritain's website. All you need to do is create a log-in at: <https://www.meritain.com>, then you can use both features, eliminating the need for paperwork. If you have any questions, you can contact Meritain directly at: 888-587-9441
